Attendee Fee Descriptions:

JOC member rates
At the beginning of the registration process, if you are a current JOC member, you will be asked to confirm your membership by entering your last name and email address. JOC members automatically receive a discounted rate to the event, so once you confirm your membership, you will be taken directly to those registration options.

New or renew member and non-member rates
If you are not a JOC member, we've automatically included one year JOC memberships with **TPM** new/renew registration passes. When purchasing a full conference pass and a one year JOC membership, you'll receive this membership for only $295.00, which saves you $100.00 from the regular price of $395.00. A membership to The Journal of Commerce provides exclusive access to the news, insight and analysis that drives international trade, transportation and logistics.

The JOC membership includes:
Print and digital issues of the magazine, unlimited access to member only content, exclusive market intelligence and analysis, the JOC Daily Newswire (e-newsletter), the Annual Review and Outlook, by-the-Numbers, and other key data industry charts, the Top 100 Importers/Exporters annual rankings, the Directory of Transportation, the Annual Trucking Guide, lower rates on all JOC conferences, free mobile app & more!

BCO/Shipper rates
If you are a BCO/shipper (i.e, an importer/exporter, manufacturer – or you own the goods that are being shipped), then you are entitled to register under the BCO/shipper rates. If your business falls under one of these categories, please select this rate.
